By default, the handles of each of the above katana-style swords will be wrapped with leather. Alternative handle wrappings are available as upgrades (see below).

Available Upgrades: There is an option to add on any of the following upgrades for an upcharge.

Ray Skin: \$150

Synthetic Silk Wrap: \$200

Habaki: \$200

Please note that none of these upgrades can be completed during the regular workshop time. The student must leave their katana with Drunken Smithy at the end of the sword workshop for the upgrade work to be completed. When it has been finished, the katana can be picked up or shipped to the student.

Additional Notes

- All measurements are approximate and may vary slightly based on individual craftsmanship.
- Prices include materials and instruction.
- Workshop attendees will have hands-on guidance from experienced blacksmiths.
- Customization options may be available for an additional fee. Please inquire for details.
- Basket Hilts are not available during this Make A Sword workshop. If you are interested in making a sword with a basket hilt, please contact us at forge@drunkensmithy.com to inquire about scheduling a private workshop.
